ŞİFRE Lİ METİN

1 Avustralya ismi Latince'de güneyden, güneye ait olan anlamına gelen Australis kelimesinden türetilmiştir. Roma uygarlığı zamanına dayanan, "güneydeki bilinmeyen bir ülke" anlamı benzer bir yerin, ortaçağ coğrafyasında da bulunduğunu gösterir. Ancak bu bilgiler herhangi bilinen bir kıta bilgisi içermemektedir.

2 Sultan Ahmet Camii, Osmanlı Padişahı Birinci Ahmed tarafından İstanbul'daki tarihi yarımada, Mimar Sedefkar Mehmet Ağa'ya yaptırılmıştır. Cami mavi, yeşil ve beyaz renkli İznik çinileriyle bezendiği ve ağırlıklı olarak mavi kalem işleri ile süslediği için Avrupalılarca "Mavi Cami" olarak adlandırılır.
