ŞİFRE Lİ RESİM

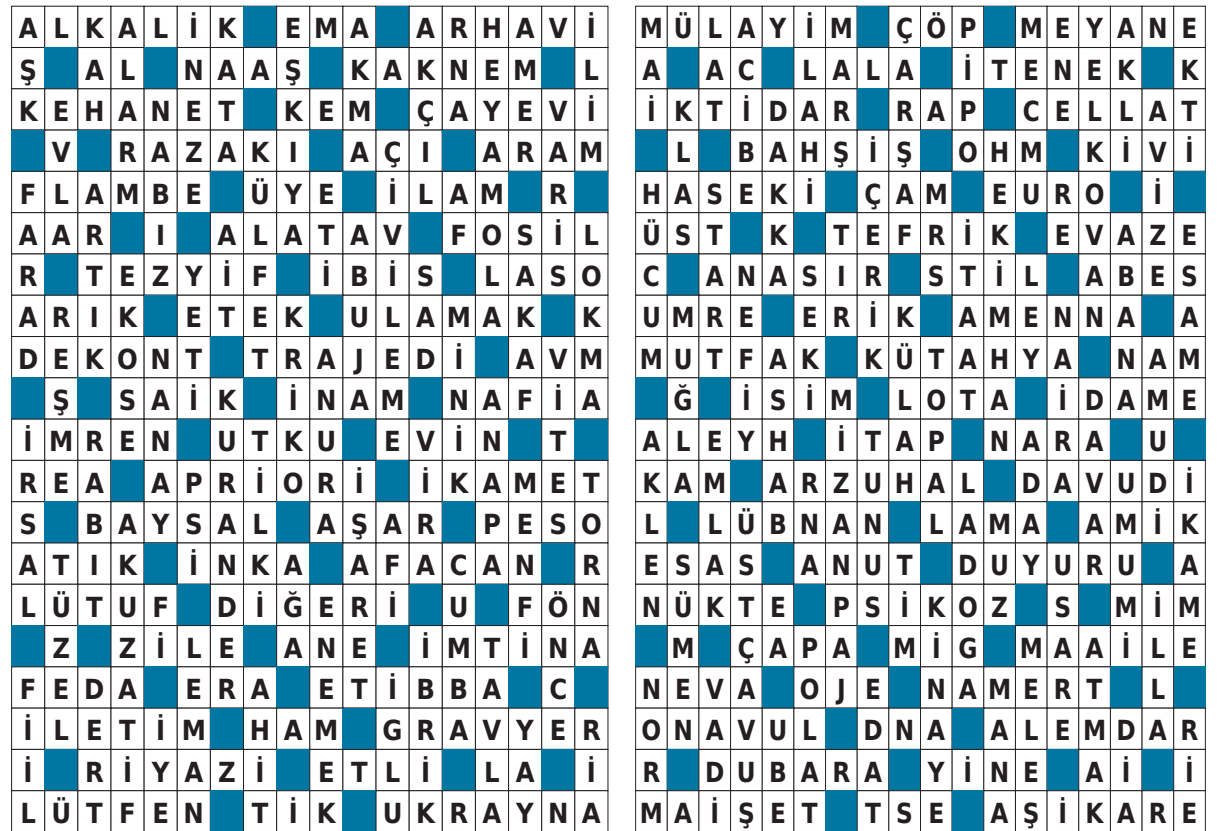

ŞİFRE Lİ METİN

1 Marmara Denizi, Karadeniz'i Ege Denizi ve Akdeniz'e bağlayan bir iç denizdir. Marmara Adasında bol miktarda mermer bulunması yüzünden adaya ve denize, Yunanca mermer anlamına gelen "Marmaros" denmiştir. Denizin bir diğer eski adı da "Propontis" tir. Marmara denizi, tarihsel batıklar açısında zengin bir denizdir.

2 Tiyatro, bir sahnede, seyirciler önünde oyuncuların sergilenmesi amacıyla hazırlanmış gösterilerdir. Farklı bir şekilde duyguların ve olayların hareket ve konuşmalarla anlatılmasıdır. Tiyatro kelimesi genel olarak temsil edilen eser anlamında da kullanılır. Tiyatro eseri, olayları oluş yoluyla gösterir.
