**1** Antik Yunan uygarlığının zirveye çıktığı dönemler İskender yönetiminde olmuştur. Yunan kültüründe eğitim almış olan İskender, babası Filip'in ölmeden hazırlamış olduğu ortamı kaybetmemiş, Antik Yunan kültürünü batıda Makedonya'dan doğuda Hindistan'a, kuzeyde Fergana'dan güneyde Mısır çöllerine kadar yaymıştır.

**2** Ankara, tarihi boyunca pek çok isimle anılmıştır. Şehir, Frigler, Galatlar ve Romalılar tarafından gemi çapası anlamına gelen Anküra olarak adlandırıldı; bu ad Latin harfleri ile Batılı kaynaklarda Ankyra olarak yazılmıştır. Ankara, Arap kaynaklarında Beldei-el Selasil, Mamuriye ve Ma'muriye-i Selase olarak geçer.
